

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to offering new design concepts and top quality in order to meet the diverse needs of their clients.

TREK Cleaning Machines always offers fresh design ideas as proven in their product development. They like offering items which energize both their dealers and their partners and provide production gains to their customers.

The team at TREK enjoys dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' needs and skills along with their understanding of cleaning applications, along with owners' strong desire to considerably lower cost through productivity gains.

The staffs at TREK and their dealer-partners are strongly devoted to having both technical support and parts obtainable when it is needed. Their high service dedication is one of the core values in their customer service. Keeping their customers' cleaning machines working and ready day by day is top priority. The company's top of the line technology delivers dependable equipment that eventually reduces your cost of cleaning. The product, the price and the service all work as one to make them the leader in the industry.
