

## Axle Tech Part

Axle Tech Parts - The business of AxleTech International is a big supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a chosen supplier to their customer base. AxleTech strives to exceed and meet their clients' expectations for technology, delivery, quality and service. They believe in working within an atmosphere that supports the utmost integrity with empowered teamwork, combined with a persistent pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively applying principals of environmental stewardship and safety in how they do business. The company has put different programs in place so as to articulate these values within their business policy. AxleTech happily shares this policy and welcomes interested parties to provide them with any questions or comments, as they are happy to share and promote this policy with a greater knowledge of their efforts. They are really committed to improving and preserving the environment. AxleTech has an EHS program that not just protects the natural environment but which likewise actively protects their neighbors and workers also.

AxleTech specializes in the manufacture and designing of planetary axles used for both commercial and military applications, which may include anything from construction equipment to airport ground support. They take great pride in being a ground-breaking drive-train solutions provider too. AxleTech specially designs axles so as to meet specific application demands. They have over 1000 different axle specs within their present offering. With over 100+ years of history and knowledge, AxleTech proudly supplies the most complete solution for any of your axle needs. The business is well known in various military and commercial applications. They offer complete axle assemblies used for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have further details which can be found in the "ISAS" product selection.
