

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized within the industry as durable and strong equipment which satisfies all the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could provide warranty service, machinery and parts for these scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where efficiency and results count. Lately, this floor scrubber model has been utilized by the architects in various construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location due to the model's utmost performance level and excellent quality for polishing concrete.
